EXPERIENCE

Founding Head of Reddit Growth & Software Developer, Nexie.ai July 2026 – Present
AI Native ESP for Ecommerce | Next.js, React, Claude, Codex, KPI Tracking, Channel Performance Analysis, Community Building

- Own **Nexie's** Reddit presence end to end: grew a self-built subreddit to **1000+ active users within a month** and reached a **1000+ organic post run rate** within two months.
- Built and deployed **Nexie's** affiliate platform and activity-tracking dashboard with **real-time analytics**, shipping new features weekly; scrape relevant subreddits to generate organic activity and equip affiliates.

Growth, Runable AI March 2026 – July 2026
Affiliate Marketing, GTM Strategy, Market Research, Competitor Analysis, Copywriting

- Built **Runable AI's** Reddit and Discord presence in its pre-revenue stage, ahead of its Series A; converted genuine users across **Europe and the US** into paid, recurring subscribers and was **rewarded as the best affiliate**.

AI Web Development Intern, InAmigos Foundation April – May 2026
Responsive Web Design, Performance Optimization, UI/UX Debugging

- Developed responsive hero sections, reduced site latency, made the website mobile-optimized and fixed UI and UX bugs.

PROJECTS

Nexie Reddit Affiliate Platform & Dashboard
Next.js, React, Vercel, Claude

- Full-stack platform where affiliates sign in, track Reddit activity, follow a persona guide and get paid, with real-time analytics and a scraping pipeline that surfaces relevant posts for organic outreach.

Marketing Attribution & Conversion Funnel Analyzer
Python, SQL, Power BI, Google Analytics demo data

- Dashboard analyzing paid, organic, social, email and referral traffic to show which channels drive revenue; compares first-touch vs. last-touch attribution, tracks CAC, ROAS and conversion rate, and proposes budget reallocation.

Marketing Automation & Lead Nurturing Engine
n8n, MySQL, Python

- n8n workflows for lead capture, scoring, personalized email nurture, follow-ups, routing and re-engagement, with error-handling logic and a dashboard of response, qualification and conversion metrics.
